Formby defend PowaKaddy English Champion Club
September 14, 2011

PowaKaddy, the #1 name in powered carts, successfully sponsored the 2011 English Champion Club tournament as part of their continued support of the English Golf Union. The hotly-contested event welcomed Team Champions from 32 English counties to Scarcroft Golf Club in Yorkshire, for the 36-hole scratch shootout that would decide the coveted Champion Club 2011. It was defending champions Formby that eventually took home the title for the second-successive year, following a count-back over the teams from Dartford and Wike Ridge.

Tied for first with an aggregate of 424 (2-under par) in the all scores to count, 3-man event, Lancashire representatives Formby were declared champions thanks to their superior second round tally of 210 against Dartford's 212 and Wike Ridge's 215. Despite beginning the day in fifth place, five strokes behind Wike Ridge, Formby came powering through thanks to a classy course record-equalling 64 from James Bolton. In the process, they became just the third club to successfully defend the prestigious Champion Club Title.

"We're delighted to support the EGU and the Champion Club event this year. As a truly unique amateur championship, it identifies the best club team in the country," commented Simon Homer, Sales and Marketing Director of PowaKaddy. "A large percentage of PowaKaddy users are single figure handicappers, so we're excited to be so heavily involved in one of the most important tournaments of their year. Once again we've witnessed some fantastic scoring, especially from the team at Formby, who have done fantastically well to retain the trophy."

Bolton, Mark Duncalf, and Jack Shelley were rewarded with revolutionary White PK SPORT trolleys, which combine the latest in lightweight and super strength materials with powerful yet whisper quiet 200 Watt motors. Introduced earlier this year, the PK SPORT highlights PowaKaddy's continued commitment to setting the precedent in the electric trolley market in terms quality, design and performance. Runners-up, Dartford, received the consolation of top-of-the-range Deluxe IV Cart Bags.
